1. Vacancy: Two Senior Bridge Engineers

Roughan & O'Donovan Consulting Engineers are seeking two Senior Bridge Engineers for design and business development in India. The successful candidates will be responsible for driving the expansion of their business, and the development of bridge and metro design projects in India. Deadline for Applications: September 23, 2011. [More information..](#)

2. Guidelines for Design Competitions for Bridges - Call for Photos

In SEI 3/2011, an update was given on the progress of the Guidelines. The text has now been completed and endorsed by the Technical Committee. It is the intention to include photos and brief details of bridges that have been acquired and built via a design competition route and also of bridges that were successful in winning a design competition but were not built. In this context the Chair of WG3, Naeem Hussain would welcome contributions from IABSE Members. Read requirements and how to submit [here..](#)

3. COBRAE: Now Part of IABSE

The Members of COBRAE last week at their meeting, voted in favour of the termination of the Alliance and the transfer of COBRAE into a Working Group of IABSE. This Working Group - most likely be called "Fiber Reinforced Composite Structures" - will officially be installed at the forthcoming IABSE Annual Meetings in London, UK. The meeting was held at the premises of Bijl Profielen BV, Heijningen, the Netherlands. Visits were made to some of Bijl's all Composite Bridges and a factory inspection was part of the meeting. 4. SEI Call for Papers: Structures for Climatic Changes

Submission deadline: September 10, 2011

Abstract: 200 words with 1 figure (not compulsory)

Submit [here..](#)

Abstracts can be on any topic related to structures built to cope with effects of climatic changes; risks to built structures due to climatic changes and possible adaptation measures.

5. News from Members

- **Sudhansu S. Chakraborty** has been chosen to be the recipient of the “Life-time Contributions Award in Engineering” for the Year 2011, by the Indian National Academy of Engineering (INAE). INAE, is a body of professional experts of highest order in the field of engineering and technology. The Award Ceremony shall be organised during the Academy Annual Convention on December 23, 2011, at the International Advanced Research Centre for Powder Metallurgy & New Materials (ARCI), Hyderabad. Congratulations! http://www.inae.org/life_time.htm

6. News from The National Groups

Bangladesh – The Bangladesh Group of IABSE has expanded and updated its Website: www.iabse-bd.org
