Sponsorship and Commercial Exhibition

Organised by

The Indian National Group of the IABSE

Invitation from the Organisers

Dear Industry Partners,

On behalf of the Indian National group of International Association for Bridge and Structural Engineers (ING-IABSE), it is our special privilege to invite you to the 'IABSE Congress 2023' at Hotel Vivanta, Dwarka, New Delhi, from **20th September (Wednesday) to 22nd September (Friday), 2023.**

Mr. PVVSS Ravi Prasad
Chair, Organising Committee

Dr. Harshavardhan Subbarao
Chair, Scientific Committee

The state-of-the-art commercial Exhibition will be held in a well-designed hangar of 12,000 Sq ft which is just adjacent to the Conference complex.

The Congress shall focus on the most significant issue of our time, that is sustainability and role of the engineers in accomplishing this goal. The Congress will serve as a platform for Governments, Engineering Organisations, academia and educational institutions, and industry to forge global partnerships and strengthen collaborations so as to deliver on the global sustainability development agenda.

The Congress is expected to attract the attention of over 500 delegates from India and other countries all over the world. The state- of-the-art Commercial Exhibition will have the opportunity to promote various products, services, programmes, activities relating to the engineering and manufacturing industries including those of green products and green technologies for sustainable development. We promise a great level of exposure and opportunity to network with key professionals in the field.

The Scientific committee and Organising Committee are putting in all out efforts to make the Congress and the Commercial Exhibition a huge success and a memorable event not only in terms of participation, but also in terms of scientific content and business opportunities for the exhibitors and the visitors.

We thank you in advance for your wholehearted support. We eagerly solicit your participation and hope that we will be able to work together towards an extremely successful Congress!

So professionals and colleagues, mark the above dates (20th to 22nd September, 2023) in your calendar now.

About IABSE

The International Association for Bridge and Structural Engineers (IABSE) is a scientific and technical Association comprising members in 100 countries and counting 55 National Groups worldwide. Founded in 1929 it has its seat in Zurich, Switzerland. IABSE's aim is to promote the advancement of structural engineering practice while taking into consideration technical, economic, environment, aesthetic and social aspects. IABSE deals with all types of structures, composed of various structural materials. To fulfill its mission IABSE organises Symposia and Congress and publishes the quarterly journal Structural Engineering International (SEI), Congress Proceedings, as well as publications reflecting the work of its technical groups. It creates technical groups as required by needs and technological progress, offers activities within National Groups of IABSE, supports Young Engineers with a program and presents annual awards for outstanding achievements in research and practice that advance the profession of structural engineering.

Objectives & Scope

Sustainable Development Goals (SDG) adopted by United Nations in 2015 called for action by 2030 to end poverty, balance economic growth with social empowerment, and take Climate action to save the Planet. In the same year the Paris Agreement on Climate Change required the nations to set their Nationally Determined Contribution to reduce Global warming. Against this backdrop and in the pursuit of these goals, India is hosting an International Congress of the IABSE on the theme "Engineering for Sustainable Development" to promote exchange of ideas and experiences as well as to build partnerships at international level on innovation, climate action and environment protection.

Location and Venue

Experience the cultural heritage and beauty of Delhi

New Delhi is the national capital of India. It is situated on the west bank of river Yamuna. From Hindu Kings to Muslim Sultans, the reins of the city kept shifting from one ruler to another. The old 'Havelis' and edifices from the past stand silent yet speaking volumes for their owners and people who lived here centuries back. It is a massive metropolitan area with two distinct parts, New Delhi and Old Delhi. In Old Delhi, Red Fort dating to 1600s stands testimony to the imposing Mughal-era, and the sprawling courtyard of Jama Masjid Mosque accommodates 25,000 people. Nearby is Chandni Chowk, a vibrant bazaar filled with food courts, sweet shops, spice stalls and so on. Several National and Internationally famed tourist attractions in and around Delhi like India Gate, Akshardham temple, Qutub minar, Lotus temple entice the visitors of all ages.

Congress Venue

Vivanta New Delhi, Dwarka, is a five-star deluxe hotel in Delhi NCR that offers an elegant and spacious venue for IABSE Congress. It is directly connected to the heart of the city with an easy access to the Sector 21 Metro station. Hotels at various rates are available within a range of 3 km. The venue is just 11 km from the Indira Gandhi International Airport, New Delhi.
